If you're dreaming of relaxing outdoor living spaces, Key-Link's stylish aluminum railing can make those dreams a reality. With its beautiful design and wide variety of colors and options, Key-Link continues to delight homeowners with timeless looks and styles. And contractors love Key-Link's easy installation and quality engineering.

Key-Link is crafted in Pennsylvania from high-quality aluminum, is tested and code-approved for safety, and comes with a limited lifetime warranty and five-year prorated labor warranty for peace of mind.

# Powder Coating for Durability

Each piece of our aluminum rail is expertly coated with AAMA 2604 standard powder coating for resistance to sun, heat, and humidity. This powder coating is one of the most long-lasting, and color-durable finishes on the market today. AAMA 2605 standard coating is available for architectural projects or high exposure environments that require additional protection.

## SEE YOUR BACKYARD IN A **NEW LIGHT**

Create stunning focal points while adding atmosphere to your backyard or deck area. Placid Point Lighting allows you to transform and creatively illuminate all types of outdoor spaces and improve your outdoor enjoyment.

Placid Point's LED's emit a warm white light providing just the right ambiance while adding safety and security to any outdoor area. Our energy efficient circuit boards are seal coated to maximize longevity and provide superior protection against the elements.

We also offer post caps with no lights to complement the product line and create an economical price point for lighting projects.

## CABLE RAIL FITTINGS

# Upgrade to Cable Rail and Enjoy Your View

Use our cable rail components for new construction or to retrofit existing construction. These components turn your wood or composite posts into a modern cable railing system.

The unique, proprietary system makes installation easy, with only a few standard tools required.

Stainless steel components work in virtually any install situation and give you the contemporary design you're looking for.

Level and stair fittings available.
